A few of our Specialties for Spring 1912

HYBRID RHODODENDRONS

WE have spent many years in testing each variety. We offer only such as these tests prove can be grown to perfection here. We furnish our own direct importations from leading European specialists. We also have many thousands growing in our own Nurseries.

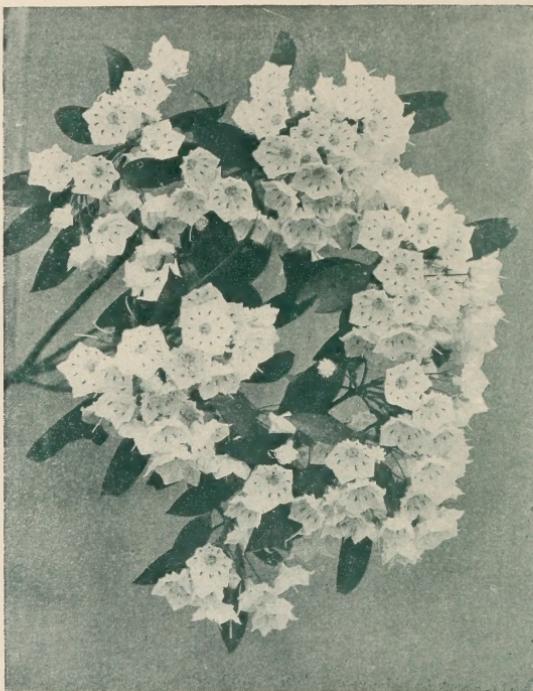

PRICES

Imported Plants		Domestic Grown Plants	
1 5/8"	\$60.00 per C	1 5/8"	\$70.00 per C
1 8/4"	90.00 " "	1 8/4"	95.00 " "
2 1/3'	\$125.00 and 150.00 " "	2 1/3'	\$150.00 and 175.00 " "

RHODODENDRON MAXIMUM
and KALMIA LATIFOLIA

THESE are extensively used for mass planting in wooded or shaded situations. We furnish many carloads of these annually, and have expert facilities for handling. Our plants are collected from the Allegheny Mountains of North Carolina and West Virginia, by our trained and experienced men.

Kalmia Latifolia, Mountain Laurel

PRICES

$\frac{2}{3}'$.	.	\$60.00 per C
$\frac{3}{4}'$.	.	70.00 " "
$\frac{4}{5}'$.	.	80.00 " "

In carload lots, graded in sizes from 2 to 5 feet, about 200 plants, per car \$100.00, and \$125.00, F.O.B. shipping point.

We can furnish a desired portion of Rhododendrons and Kalmias in the same car.

BAY TREES STANDARDS

THESE are indispensable for your Veranda, Hall or Terrace.

We import them direct for you from our own growers in Belgium. We also offer pyramids and dwarfs. Write for prices.
